

Research Appraisal.

Date :1995.2.1

Item. Greece Beast winged unglazed.
Era. BC.2500 Carbon inspection.
Excavation countries. Greece.
Excavation age. Unknown.
Condition. State is good.
Size. H.145 W.155

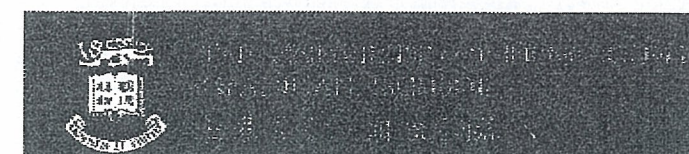

Research Ethics

All members of the University, including research students, are under an obligation to observe the highest standards of professional conduct.

The nature and scope of one's ethical duty as a researcher rests on two fundamental assumptions that ought to be self-evident. The first is that of honesty in the conduct of research, the reporting of findings, and the proper attribution of ideas and their source.

President and Vice-Chancellor Peter Mathieson.
